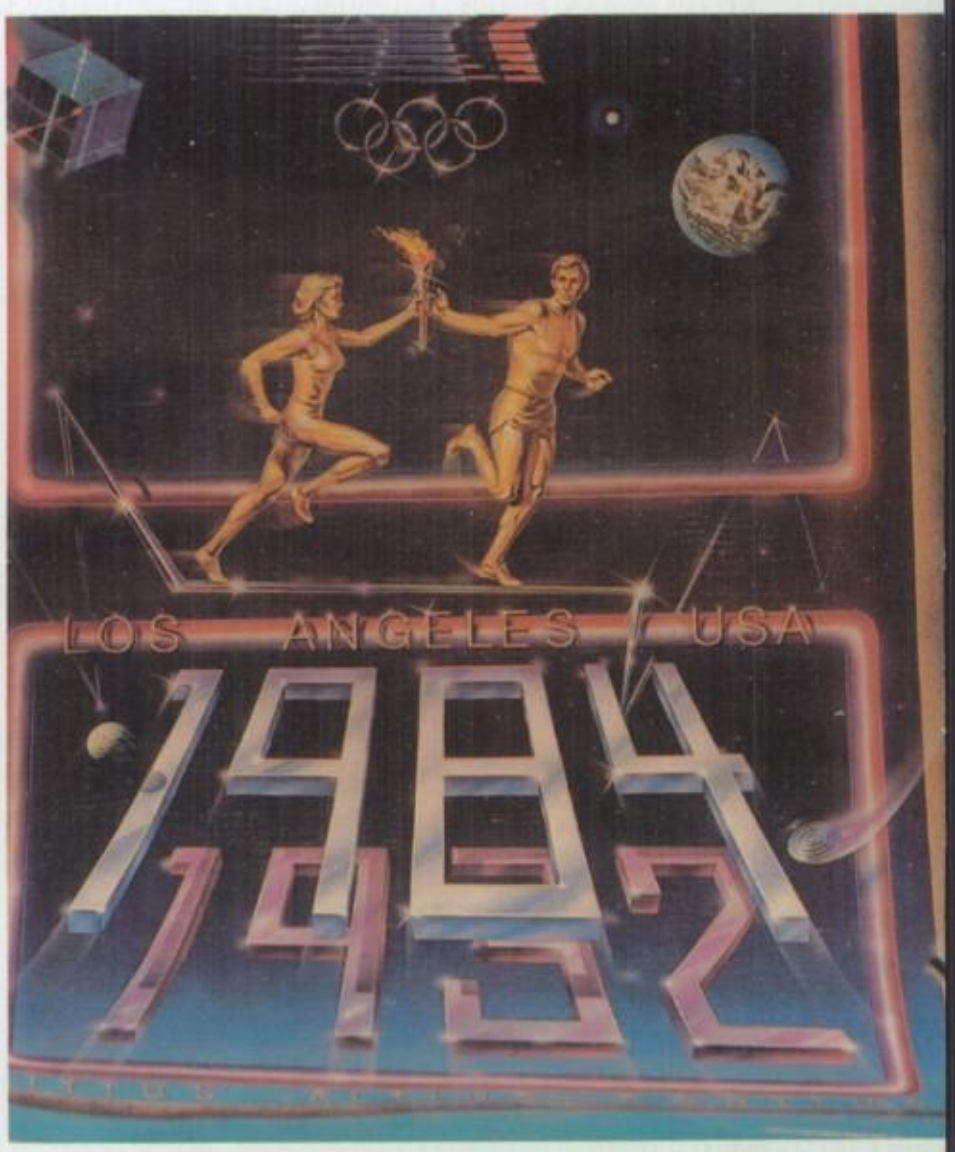
# Random Memories



## Do You Compute?

It began on January 1 at 12:01 A.M. with the usual celebration and hype that goes with New Year's Eve. 1984 had finally arrived. This year was not an ordinary one, to say the least. This was the year when Big Brother was supposed to move in, when computers would control our minds and our emotions. Fortunately, none of this happened. Instead Big Brother is only the subject of an interesting novel, and computers are used to teach, not control. 1984 also brought with it the Olympics, with Los Angeles as the home of the summer games. This year proved to be a memorable one, and this book is dedicated to preserving those memories and at the same time looking toward the future.

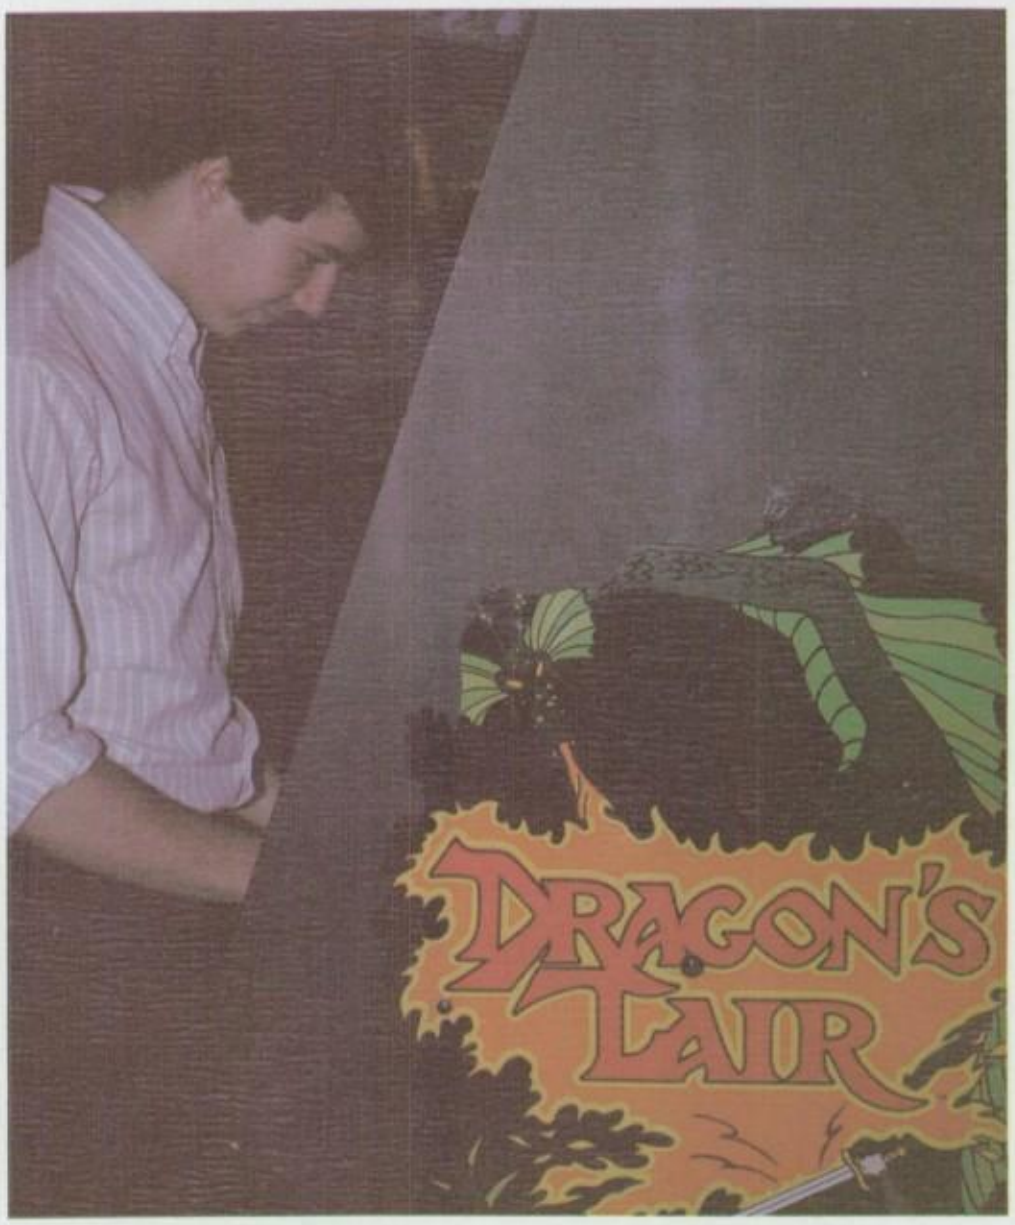
# Senior's Only

Being a senior can have its good times and bad. Getting the clamps by locals, building a CT car for a Chevrolet, and developing pictures of the guy's locker room are just some of the fun things the class of '84 has done. Playing the big bad wolf vs. the three little pigs always adds some "squeals" to anatomy class. "Do they have co-ed dorms?" might be a major question in helping a senior narrow down his or her choice of colleges.



# Hangouts

When the games were over and the homework done, the senior cliques headed to their favorite hangouts, to do what else? "hang out." Showbiz was the newest hangout with its singing bears and the wildest video games. The old favorites were still Time-Out, Pappy's, and the local hangout Kutzarino's. Of course, the ultimate in food fights and playground rides was Burger King!

# Fads & Fashion

1983-84 had tops down and tops torn. Convertibles could be seen tearing up the streets of Davidsville, while several students were tearing up their sweatshirts for the "Flashdance" look. While Joan Jett was jamming at UPJ, the Police and Rick Springfield hit Pittsburgh, and David Bowie performed at Hershey. Shore shirts and other long sleeved shirts had decals down the arm but red and black with "Conemaugh Township Indians" was the most famous fashion.

# Spirit Week

Spirit Week, with Homecoming as the finale, is always a fun-filled time at the reservation. Several football players tried to use their beauty to win homecoming queen, but they were no match for Lori Marcinko. Spirit Week was a colorful five days. Monday - Sweat Day; Tuesday - Clash Day; Wednesday - Inside Out Day; Thursday - Punk Day; and Friday - Jersey Day.

# Marching Indians

Being a member of our Marching Indian Band is a challenge. Band members devote many hours to practicing. Students involved in marching band are kept active throughout the summer months with practices and band camp. Once school starts, the marching band practices every Tuesday and Thursday evening from 6-9 p.m. The CT marching band schedule includes performances at all football games, area parades, and marching band competitions. On October 8, 1983, our marching band hosted its very first marching band competition. Our Marching Indian Band is a group of individuals working together as one.

# Concert Band

## Band Gives Gift of Music

CT's instrumental music department provides an opportunity for talented students to express themselves through music. By participating in concert band, the student is able to study and perform a wide variety of musical styles ranging from marches to contemporary and pop music. The study of instrumental music is not the only aspect stressed in our band program. The development of personal values is also stressed, such as learning the importance of cooperation, dedication, and self-confidence. Our concert band brings Conemaugh Township alive with the sounds of music.

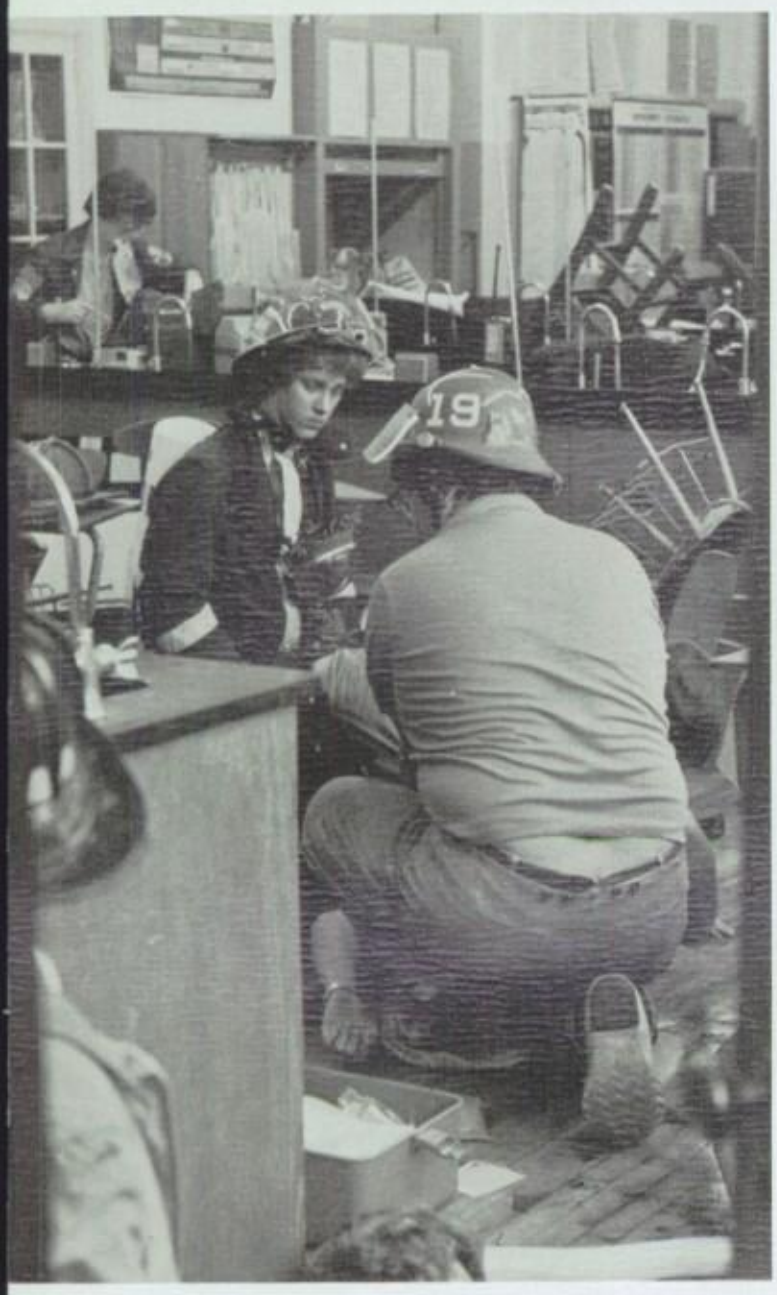
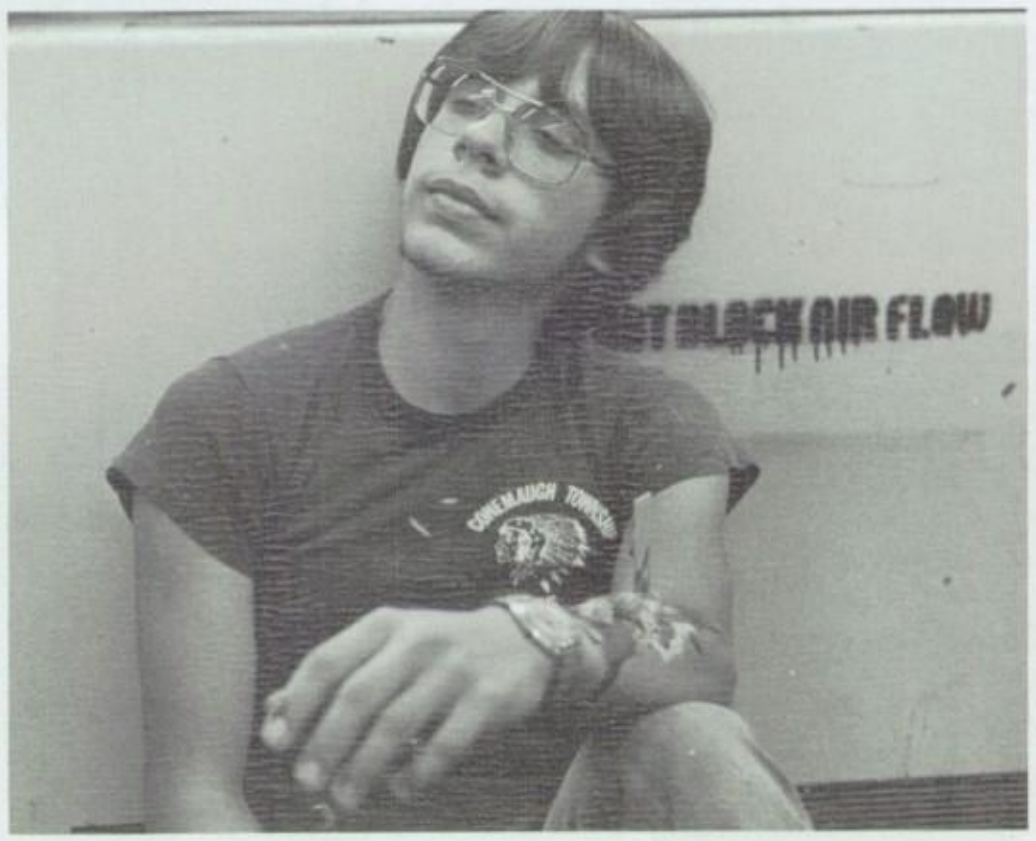
# Explosion Rocks 211!





It was a day of great turmoil when a mock disaster came alive. A hypothetical explosion in a chem lab sparked off the event followed by the arrival of numerous fire companies. Volunteer senior victims were diagnosed, bandaged up, and taken to the local hospitals as firemen enacted actual disaster procedures. The underlying purpose of this drill was to test the school and fire companies' responses to an actual emergency. Our response proved, beyond doubt, efficient.

# Student Councils Have Busy Year

The Jr. and Sr. High Student Councils are the voice and action of our school. To become a member of either council, a petition must be signed by at least 25 students in order to run for election. A school-wide election is then held. Both the Jr. and Sr. High Student Councils organize and sponsor such activities as the Jr. High Talent Show, the spirit contest during Homecoming Week, and dances throughout the year. They are also involved with beneficial fund raisers such as the bloodmobile, the food drive for the needy, and the Toys for Tots. All this benefits our school and Community. Our representatives are extremely busy during the year.

# Blood Boils High For Bloodmobile

On February 7, 1984, the annual Red Cross Bloodmobile was sponsored by the Senior High Student Council. An overflowing seventy-three pints of blood surpassed last year's collection of sixty-one and topped the Red Cross's collection of the 1984 year. The numerous first time donors were a little jittery, but only a few actually felt the floor give away. All in all the event proved productive, with the donors feeling proud that "They gave the gift of life."

The Air Force tries a new way of recruiting on Dennis!

Conemaugh Township was in luck when the Air Force Band's performance at Marion Center was cancelled due to bad weather. They came to the Reservation instead. The energetic group provided an entertaining break from the monotonous winter routine with the jazzy tunes. Audience participation was encouraged. Wayne Adams became a "hero" to one female vocalist; Miss Grzybicki was serenaded, and Miss Owatt jitterbugged. It was an assembly not soon to be forgotten!

**th Grade Winners:** Amy Kimmick — Third; Chrissy Carnahan — First; Sarah Pratt — Second

**th Grade Winners:** Susan Dickson — Second; Bill Pratt — First; Ken Miller — Third.

**7th Grade Winners:** Mike Buchanan — Second; Milton Baer — First; Kim Fisher — Third.

A contest of minds was sponsored by the National Honor Society. Members of the junior high world of academia were pitted against each other in the academic arena. Seventh graders competed in Round One with Milton Baer triumphing. Round Two showed female domination in the top three places for 8th grade. It was the last year of junior high competition for 9th graders in Round Three. Bill Pratt captured the first place trophy. The competition was keen as questions and answers were tossed about the stage.

# Editors It's All On Their Shoulders

The glamour of being an editor is not all what it's cracked up to be. Editors do not sit at a desk with their legs propped up thinking of ways to get their names in print or their pictures splashed across the page. The editors may be on the top of the ladder, but the dirty work always falls on their shoulders. The editors have to be the heavies, not in holding gun-to-head heavy, but they must demand to have everything on time or else . . . ! These student leaders report to the head honchos (alias advisors) on why the deadlines aren't met or who spelled Connumach with one "n". The editors love it, though; they can handle the pressures, the tantrums, the headaches, or else they would not have earned the title "Editor".

**Layout Staff:** S. Golden; C. Rager; A. Miller, Layout editor; The layout staff is responsible for placing all materials on their proper pages.

B. Walter, editor; M. Hartfiel, section editor. These girls help to keep the literary magazine staff in order.

J. Bazyk, publicity editor; J. Granitosky, collection editor. Jackie and Joy share a chuckle while counting the "green".

**Proofreading Staff** Front to back: P. Gordon, editor; B. Miller; A. Fisher; S. Weaver. This staff is responsible for catching and correcting all grammatical errors before the magazine goes to print.

The Literary Magazine publishes creative works of selected CT students. The magazine enables students to express themselves through writing, art, and photography. Through **Reflected Images,** Conemaugh Township students are able to see and appreciate the creative talents of their peers.

# Contownian Reports The News

**The Contownian** is CT's own way of relating the news of school and community. The newspaper proves to be a valuable source of information relating to school club activities, sports events, and community meetings. **Contownian** editorials enable the students to express personal opinions on timely issues which are of concern to students, faculty, and the people in general. Regular columns such as the Survey Question, a general question posed to random students, also serves as a means of letting students express what they have on their minds. Other **Contownian** columns provide entertainment to the readers.

## Yearbook Staff Selects Computer Theme

The 1983-84 yearbook this year centers around computers. Working with this theme has meant a lot of planning, a lot of brainstorms, and a lot of extra special help from our advisor. It's not easy being a member of the **Connumach** staff; it means that our imagination must be set to work, memories must be captured in print and pictures, and deadlines **must** be met. Our advisor sees to that! We hope that our yearbook will be as special to you as it is to us the **Connumach** Yearbook staff. Without the help and cooperation of the faculty, administration, and student body, our yearbook would not have been possible.

**yping Staff** - (L to R) L. Mazerik; C. Maldet; M. Lucas, Editor; D. immerman.

Maria and Albert, auditioning for a Crest commercial?

Some people just can't get enough of CT! Teresa, Tracey, and Laura bring back Steve, Ne and Bob.

Smiles by candlelight from Dave and Diane.

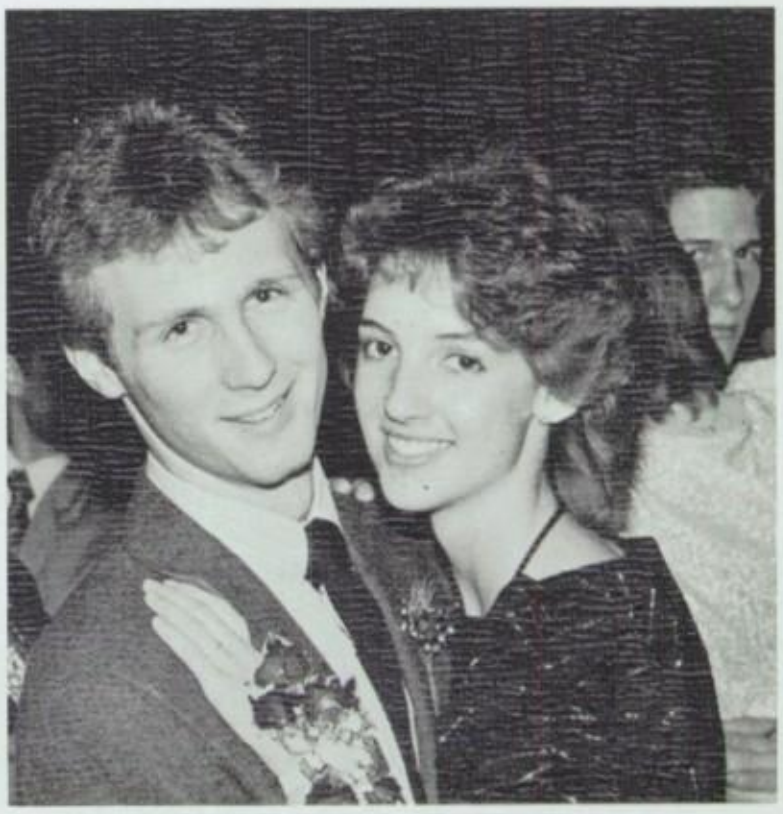
Wendy sparkles as Todd just grins!

Renee Shroyer and Tony Tazza make a cool couple in cool weather.

Guys for sale!

# "Wish Upon A Star" - Theme Of Christmas Dance

Are they the international mafia? No, it's Marta and her date Pablo from Spain, and Brian with Miranda from the Netherlands.



Senior Sweeties, Sandi and Mike.

Smilin' dancers, Stacy and Bill.

Stay awake, Missy!

Justin, Lisa, Donna, and Greg are all smiles, wonder why?

An ECHO in the gym!

On December 10, the Class of '86 presented "Wish Upon a Star". After weeks of work, the gym came alive with blue and white balloons and a lovers' wishing well to add to the festive atmosphere. With "Echo" ripping tunes throughout the gym, the evening produced smiling couples and lasting memories. The sophomores' success story was helped along by Mrs. Estadt, Mrs. Lehman, and Mrs. Keifer.

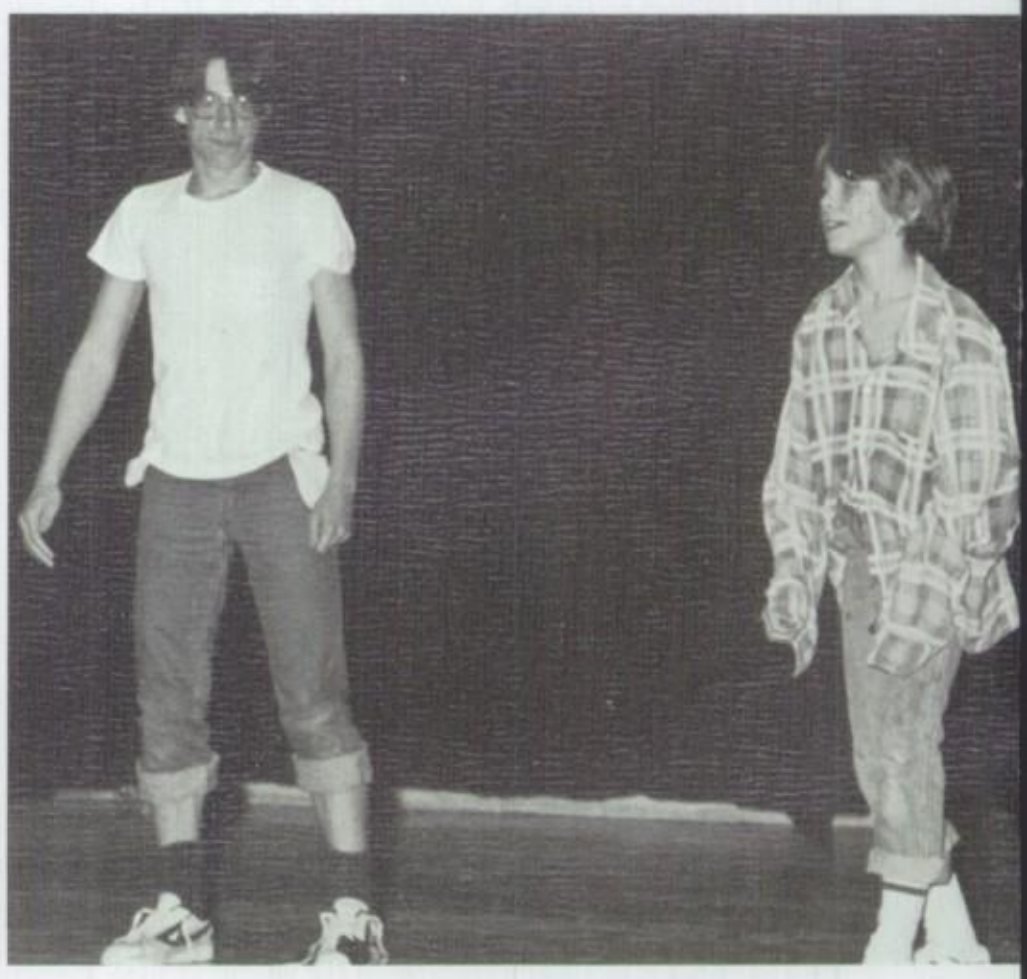
The junior high audience was treated to a spectacular performance April 17th when the Junior High Student Council sponsored their annual Talent Show. The range of talent stretched from organ and piano extravaganzas to eating worms on stage, mixed with a Michael Jackson imitation and a touch of "Cats". A wealth of talent was discovered in grades 7 - 9 and more lies untapped waiting for next year's show.

Erika & Shelly capture the audience with "Total Eclipse of the Heart".

Chad "thrills" the crowd with"P.Y.T.".

Shelly & Tonya moved to the sounds of "Beat It".

Lorraine brought back memories with "The Way We Were".



Jason & Chris ate worms for lunch!!!

# Talent Show Box Office Hit

Lisa Began the evening with an organ rendition of "Amor".

"What a Feeling" from Kathy.

Rup's piano solo "Love Story" showed off her expertise at the keyboard.

The trio of Milton, Chris, and Lisa were hilarious!

Jenny and Tina asked "How Do You Keep The Music Playing?"

Jessica purred out the theme from "Cats".

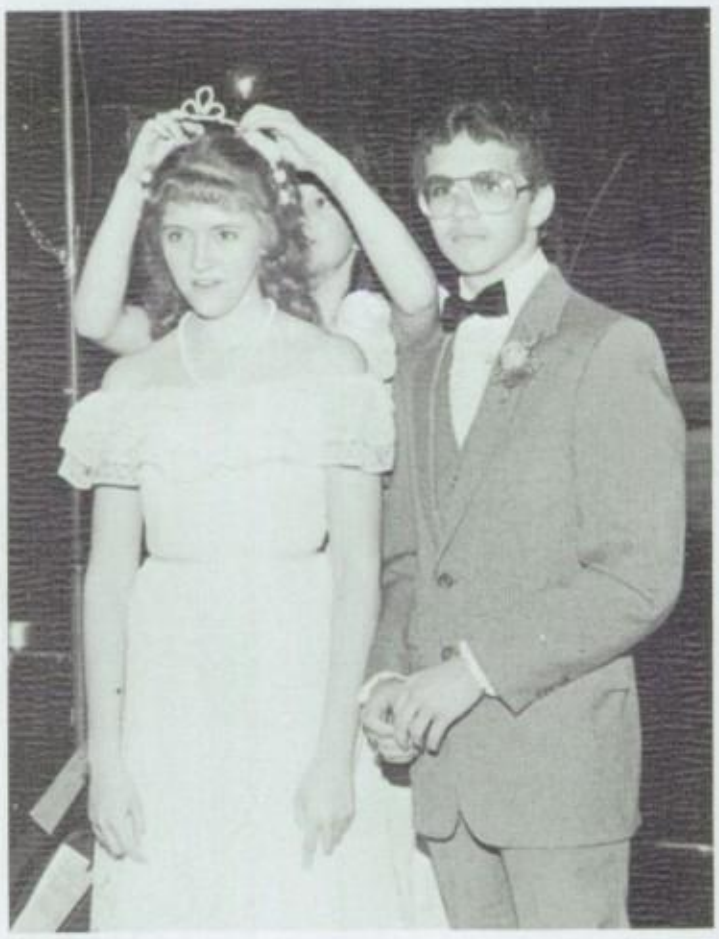
# Prom '84

Juniors And Seniors Create Lasting Memories

LEXIUS



# Prom '84 Came "Straight From The Heart"

The week before the prom everyone got sunburned; three days before the prom it was a never-ending downpour of rain; but as prayers were answered it was a dry Saturday on May 5th. The first song of the evening "Straight From the Heart", performed by "Lexus" introduced the theme of the evening. Marina Zambanini, V.P. of the Junior Class, crowned the King and Queen of the prom — Brian Griffith and Maria Donahue. Prince and Princess were Doug Meyers and Valerie Mellon. The dinner and dance were held at the Ramada Inn in Somerset from 6:00 to 11:00.

The guests were then given an hour to prepare for the ordeal that lay ahead: the Post Prom. The setting was the gym from midnight until 5:00 A.M. Everyone was kept awake with plenty of entertainment. After dancing to "Lickety Split" it was blockbuster movie time with "Firefox", "Airplane", and "Raiders of the Lost Ark". Believe it or not, everyone was in the mood for Sloppy Joes at 4 AM! Prom '84 was made special thanks to the post prom sponsors and chaperones, our local Lions Club.

People do weird things at 3 A.M.!

Wayne's party shirt gives him energy.

Hanging out with some graduated CT'ers.

Sarah found a high kicking dance partner in Marta.

Denny's was a haven for the exhausted at 5 A.M.

# It Happened This Year

# The Ins & Outs And Ups & Downs Of '84

Listen my children and you shall hear
the color and excitement of the 84th year.

Michael Jackson gets a burn
Star Wars makes a Return.

Sally Ride soars high
A new hairdo from Lady Di.

George Brett loses a homerun
L. A. Raiders have their day in the sun.

"Flashdance" gives us a torn sweatshirt
Joan Collins was the world's oldest flirt.

Christine Craft had the ugly million dollar face
"Terms of Endearment" won the Oscar race.

Duran Duran was born on MTV
Gumby came to life thru Eddie Murphy.

Cabbage Patch dolls are what people bought
Richard Gere in the shower was really hot.

Boy George and his make-up gave us culture
Heisman winner Rozier had a million dollar future.

After General Hospital, Rick Springfield had an "Affair of the Heart"
Giving Mondale a run for his money was Gary Hart.

We watched bickering in a Boston bar on "Cheers!"
Premier Chernemko aged out Reagan in years.

"Footloose" was fast and full of electricity
Sting and "The Police" hit with "Synchronicity."

The summer Olympics shown thru the L.A. sun
Jesse Jackson revved up the primary election.

Mr. T's sweet and tough with a Mohawk
The Marines in Beirut were more solid than a rock.

Vanessa Williams was the first black Miss America
A little old lady's "Where's the beef?" sent the nation into hysteria.

Although the year seemed to go by fast
We will always have memories of the past

# A Special Day

May 18, 1984, was a cold and dreary day, but spirits were high as the day of Special Olympics dawned. Helping out in this special event from Township were the Student Council, National Honor Society, Key Club, and the Girl Scouts. The huggers and their athletes had a lot of laughs and a good time at the annual track & field day.

"Who said that you girls could play?" winces Greg as Elise, Betty Ann, and Cheree pucker up.

This is the first time Donna, Kelly, and Diane are in step.

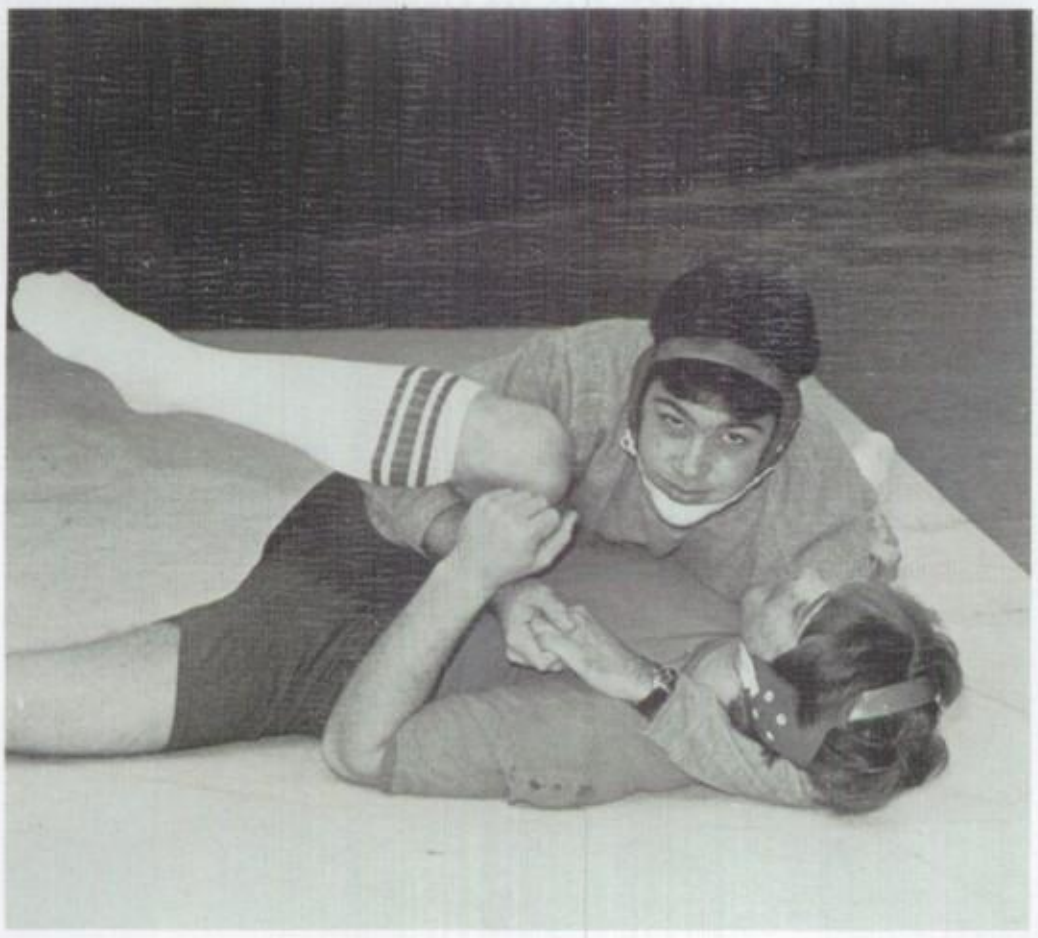
"We've got the beat . . . Well, almost," claim Glenn, Brian, Donna, and Ernie Jo.

"We don't play, we just sit here and look good!" boasts Denise, Gloria, Debbie, and Laurie.

# Omar Invades Township

Omar takes on the front line of the Indian defense.

He makes his way through school by any means!



1-2-3, looks like a victory!

Omar quickly gains power and women.

Omar Hazoury with his outgoing personality and natural sense of humor, captured the admiration and friendship of students here at Conemaugh Township. In the short time of one school year, Omar has become quite popular with faculty and students alike. It is evident that when Omar retreats back to his home in the Dominican Republic, he will be missed by many.

## Varsity Review

As football camp opened on August 15, Head Coach Joe Badaczewski was greeted with 38 players, 15 returning lettermen, and a ready staff of Assistant Coaches, Ron Goisovich and Mike DeBiase. After two weeks of camp and two scrimmages, the team was ready for the nine week season to begin.

The 1983 season was full of upsets and surprises. The Tribe opened the season with a loss to Northern Cambria. But, by no means did this dampen the spirit of the team or the Township fans. A couple of games down the road, the Indians came back and upset the Windber Ramblers with a shut out on Homecoming Night. The other Indian victims were the North Star Cougars and the Richland Rams.

Leading rushers were Wayne Adams with 273 yards and Steve Blough with 358 yards. Steve was also the high scorer of the season. Bob Adams and Chuck LaPorta were the top receivers. Tim Telenko acted as the leading tackler for the Indians. The Tribe ended their season with a record of 3-6.

## Girls Can Be Proud

The 1983-84 Girls' Varsity Basketball Team dribbled their way to a winning season. With three seniors and six returning lettermen, the team earned a spot in the District V Championship Playoff against Rockwood, but they regretfully lost the championship title in a clincher.

Along with Junior Diane Chervenic leading the Squaws' scoring with 325 points, and Senior Maria Donahue scoring a total of 323, the girls were almost unbeatable. The team had two major stumbling blocks: the team of Johnstown and Rockwood.

The girls, exhibiting pride, enthusiasm, and outstanding team spirit, ended their regular season with a record of 18-7.

## Primavera Leads Team

Although the Cross Country season contained several losses, the team for the 11th straight year, won the District V title. The season's best runner, Albert Primavera, captured first place in many meets including the District V meet. Following close behind were Kevin Yoder, who took 3rd in the District meet, Brad Mostoller, Elmer Custer, Ken Lancaster, and Dan Maldet. Tom Croyle, who was injured during the season, made a miraculous recovery at the end. Since the season contained several junior high girls, Coach Williams may possibly be leading an all girl's team next year.

## Inexperience — Name Of The Game

One word could best describe this year's basketball team: **inexperienced.** The team had no returning lettermen from last year. This inexperience showed as 9 of their 14 losses came by 10 points or less; 6 of those were by less than 5 points. However, several games will make the season memorable. A revenge victory over Shade was also Coach Majer's 600th victory. The team finished the regular season with impressive back to back wins over the Somerset Country League runnersup and champs. The Indians defeated every team in Somerset County except Berlin. Dave Shroyer was named Honorable Mention All-County. Jeff Bulvin was selected to the Boswell Jaycees Christmas Tournament All-Tourney Team and made second team All-County. The Cagers were a much better team than their 12-14 record indicated.

# Coach Majer Captures 600th Win Retires After 38 Years

When the final buzzer sounded on North Star's 63-59 win over Conemaugh Township, more than just a basketball season ended. The conclusion of this year's 12-14 season brought the end of an era. Coach Joe Majer completed his 38th and final season. During this time, he accumulated 605 wins. This season his inexperienced squad presented him with his 600th win, a 61-53 victory over Shade. This made him only the 3rd coach in Pennsylvania history to reach this plateau. Some of Mr. Majer's most impressive accomplishments include coaching a State Catholic Championship in 1951 when his Johnstown Catholic team achieved a 27-0 record. In 1978-79, his CT team finished at 30-1 and were PIAA runnersup in Class A. Last year's team also went 30-1 before losing to Cornell, the eventual state champion, in interdistrict play.

Congratulations to Mr. Majer on his successful career and thanks for all who have worked for and with him.

This year's wrestling team upheld Township's recent wrestling tradition. The Grapplers were young, having only four seniors, but still proved their strength by compiling an impressive 11-4 record. They captured the Somerset County and District V crowns. The team's record is even more impressive considering which teams defeated them. Two losses came to perennial powers Bedford and Chestnut Ridge. The other two losses were to undefeated teams, Portage and Westmont. The matmen nearly upset Westmont, ranked 6th in the State Class AA. The team had five county champions and sent eight wrestlers to regionals. Junior, Stacy Rhodes, finished in the top eight at States at 145. Although this year's seniors formed a solid nucleus for the team, the future looks bright with many up and coming underclassmen.

## Baseball Summary

The 1984 CT Baseball Team recorded another great season. The Indians' overall record was 5-2, good enough for a second straight Somerset County League crown. The team was led by a group of outstanding seniors, including Bill Baer, Wayne Adams, Jeff Bulvin, and Dave Shroyer. They opened the season with three straight shutouts: 11-0, 12-0, and 11-0 respectively. The Indians continued their winning streak by beating Meyersdale, 9-5, and Rockwood, 14-4. The Tribe, playing their fourth game in a week, were knocked off by Berlin. They then clinched the county title, rebounding to defeat Shade, 8-1. From there, the Tribe moved on to play in the district playoffs. In the first game, held at Berlin, they faced a tough Everett team. The game ended with CT behind, 4-3, but there was much controversy over a disallowed homerun which would have won the game for the Tribe. Regardless, the loss ended the Indians' hopes for reaching the state playoffs.

Through the season, the team was lead by the hitting of Dave Shroyer, Bill Baer, and Mike Swank. Defensively, Wayne Adams, playing third base, anchored a strong defense, while the excellent pitching of Jeff Bulvin and Steve Lehman made a major contribution to the Indians' winning season.

# Track Team Runs For The Gold

This year, Coach Williams' Cindermen chalked up two wins against Rockwood and Windber, but they were offset by losses to Ligonier, Bedford, and Chestnut Ridge. Although this year's record wasn't impressive, there were several successful events. Ken Lancaster, a returning letterman, conquered the long and triple jump in most meets. Tom Croyle won the 3200 meter run, and the 3200 meter relay team composed of Albert Primavera, Kevin Yoder, Brad Mostoller, and Croyle, took the gold in every dual meet. The 3200 meter relay team, Primavera (1600 m), and Croyle (3200 m) won three of the four distance events at both the Somerset County and District V meet. Croyle also added the coveted Mountain Conference 3200 meter crown to his impressive list of accomplishments. This year's team was dominated by seniors, so the underclassmen will have to make up for their loss next year.

Even though the girl's softball team was a young one, with only four graduating seniors, and not too much experience, they managed to break last year's record by ending the season with two wins and five losses. The first team to be defeated by the squaws was Salisbury giving Coach Risch her first win as a softball coach.

As the season went on, the cold weather and inexperience didn't help the team, but they managed to keep the score close in a few games, losing by only one or two runs. The second win came with the last game of the season when Shade became another victim of Township's fielding and hitting power.

COMPUTER LITERACY COMES TO TWP.

The computer age is upon us. This has been true for over a decade in government, business, and industry, but the advent of the microcomputer in 1975 has made this statement a reality for public education.

In English, computers can be used to provide guidelines for proofreading or to help organize a composition and aid in paragraph and margin location. The use of computers is also helpful to those studying the social sciences in that it can provide graphics with detailed information on a state's population, borders, and other factual information. Speed is the key on this level as it saves hours of searching through index tables and charts. In business courses, computers aid the student by giving first hand experience with word processors and other tools that will be valuable in tomorrow's job market. Although all of the above uses for computers are important, the most ardent use of this tool is in the field of mathematics. Thousands of numerical values can be processed at an amazingly high rate of speed and will save the student a great deal of time and effort.

The opportunities in the future for students with computer literacy is astounding. The computer field, as it continues to expand, has much to offer the leaders of tomorrow.

## Seniors Face Future Plans

High school students are constantly making decisions about their future plans. The senior class is especially recognized for making up their minds as to careers they hope to follow. Deciding on where the future paths of life are leading is filled with a complexity of choices. With advancing technology and modernization of society, new fields of occupations are rapidly created. The most recent addition is that of the computer field. Others include the arts, sciences, and medicines. With new ideas and discoveries being brought about each year, it is necessary to expand and dwell on new careers in order to keep up with the times. For example, the world of business is completely different than it was twenty years ago, because of changing times and people. Since there are many career choices available, it is becoming difficult for people to choose a vocation in life. The Class of '84 represents the large variety of occupational fields. As they venture out into their decided paths of life, we wish them all of the very best in succeeding to reach their personal goals.

## Life's Dream

I will set my goals with the highest of hopes,
I will set my heart on winning.
But, if I can not win,
By fate or by chance,
I will set my mind — and my heart
on doing my very best.
And my best WILL make me proud!

— Karen Yoder

ALMA MATER

Oh, Conemaugh, with spacious halls, the campus bright and green
Our fondest memories will remain in each endearing scene,
We'll ever pledge our loyalties, devoted hearts to you,
To thee, our Alma Mater, we'll ever more be true.
Hail, Hail to the Red and Black,
Hail to our school with a cheer,
We give our best to Conemaugh
Whose fellowship we hold so dear.
